

# THE NEEDY WILL NOT BE FORGOTTEN

1. The needy will not be forgotten  
The poor will be remembered  
For there is a God up in heaven  
Who sees it all

## **Chorus 1:**

There is a God who sees [x2]  
There is a God who knows all our struggles  
There is a God who sees

2. The suffering cry out for freedom  
The hungry for provision  
For there is a God up in heaven  
Who hears it all

## **Chorus 2:**

There is a God who hears [x2]  
There is a God who knows all our struggles  
There is a God who hears
