

# Your Glory

Psalm 8

*Your glory fills the heavens  
Your glory fills the earth  
Great God of power your name is Majesty*

The birds that sing  
The fish in the sea  
Let everything  
Tell your story  
Sun and moon  
The stars in the sky  
Let everything  
Give you glory

2. You think of me  
You care for me  
Let all I am  
Tell your story  
With enemies  
Surrounding me  
Let all I am  
Give you glory
